## From the Principal

Hi everyone, a warm welcome to the 2018 school year. A special welcome to all our new students and families who have started with us this year. It's great to have you on board :-)

I would also like to take this opportunity to welcome new staff to the St Ollie's family. We have three new class teachers – **Rebecca Boysen (3A)**, **Nikki Edwards (3B)** and **Tom Kirby (5A)** and a new PE Teacher in **Lisa Dighton**. We also have a number of new School Officers starting with us this year – **Bronwyn Fuller**, **Susan Richardson**, **Tracy Allom**, **Melissa Townsend** and **Mia Rogers**. Some are familiar faces, some are new, but we warmly welcome all to our little part of the world.

At the end of last year we said farewell to **Jane Weule**, **Peter Gibson** and **Gerard Hogan**. Unfortunately, we lost two additional staff members over the holidays, with **Monique McClafferty** (Support Teacher: Inclusive Education) moving back to Melbourne with her family and **Kylie Tippins** (Year 3 teacher) being appointing to the Acting Primary Learning Leader position at Holy Spirit, New Farm. We thank and acknowledge all of our departing staff members for everything they've given to our community in the time they have been here and wish them all the very best for the future.

We also warmly welcome back **Sam Young** and **Mike Maguire** to our staff this year. You may recall Sam spent Term 3 and 4 at Guardian Angels Primary School, Wynnum in a learning support teacher role and Mike had Term 4 off due to quite a severe injury. It's great to have Sam and Mike back on staff this year.

You may have noticed a number of improvements completed at the school over the holidays. These include upgrades to the Year 2 rooms, laying of new turf on the pool oval and the construction of a new bridge on the Prep play area. We have also had a number of upgrades to our IT software and hardware – most of which you can't see, but we will all certainly reap the rewards of. Please feel free to check these improvements out as we continue to upgrade our facilities. I also acknowledge our amazing Groundsman, Mr Larry Bromley, who has worked tirelessly in getting the school and grounds neat and tidy for the start of the school year.

In the same vein, it is with great excitement that I am now able to share that we have received official notification for our application to the Block Grant Authority (BGA – a State Government agency) for funding towards the construction of four additional classrooms. This government funding, which covers a percentage of total costs, will allow construction of the new classrooms to begin in Term 3, with them being ready to move into at the beginning of 2019. Knowing that space is tight and numbers are growing, this is an incredible opportunity in future-proofing our school. Planning is well underway, and I hope to be able to share plans in upcoming newsletters.

In each of the classrooms at the start of the school year, and mentioned at our assembly yesterday, was the sharing of our new whole school rules. We have compacted our 5 old school rules into 3 easy to understand school rules. “**Be Respectful, Be Responsible and Be Safe**” are our new school rules and these will be consistently used across all contexts in the school – classroom, playground, transitions etc. We will officially launch these with the kids at next week’s assembly, but I acknowledge the great work of Sally Hyde and the Positive Behaviour for Learning (PB4L) team for setting us up for success in this area. Any chance you get to discuss these expectations at home would be appreciated.

Our ‘big rock’ focus for this year as a school is to develop the next stage of our strategic planning. There is a new planning tool for all Brisbane Catholic Education schools creatively titled the School Improvement Tool. Staff have spent time familiarising ourselves with the tool at our start of year PD Days and we are excited about the opportunities this provides us as a community. To kick off this project, we will be undergoing a 3-day review of our current school set-up with external and internal consultants visiting us in Week 5. In addition to speaking with the school leadership team, teachers, school officers, office and grounds staff and the students, there will also be an opportunity to parents to feedback their opinions of how we are going as a school. I hope to be able share details of how this will work in the coming weeks. It’s an exciting time to be a part of our community, and the information gathered in this review will be able to be fed straight into the next stage of our strategic planning.

Please take careful note of dates shared in the newsletter. The first big event for us this year is our **Parent Information Night**, to be held next Wednesday (31st Jan) evening, beginning at 7pm in the church. In addition to communication from class teachers, newsletters will continue to come out every fortnight, and events will be shared on the various forms of social media, but our main source of information will now be the **Parent Portal**. Please ensure you’re able to log in and access all the information contained in there. If not, please get in touch with the ladies in the office for assistance.

And finally, I would like to put a call out for potential new **Pastoral School Board** members. At the end of last year, two of our members departed our community, so we have two vacancies. The Board meets six times during the year, generally on the 3rd Thursday evening of the month, with a focus on providing a sounding board for the School Leadership Team with regards to developing the ‘big picture’ i.e. strategic planning, master planning and policy development. With the updating of school policies completed at the end of last year, our focus for 2018 turns to strategic planning and master planning. To that end, and looking to round out our skill set on the board, I would like to invite expressions of interest from parents in the fields of *architecture, interior design or construction* to add value to the board. Although we are well supported from BCE in this area, it is always great to have a fresh set of eyes to look at the way we do things. If you are interested, please make contact through the ladies in the office and we can talk through opportunities. I thank continuing members of the board, including our Chairman **Mr Owen Luttrell**, for their very generous time and expertise.

Ok, enough for me – it’s only Week 1!!! I sincerely wish you all the best for a wonderful year, we hope you’re as excited as we are :-)

Cheers, Paul

## From the APA

Welcome back to another fabulous year at Ollie’s. There is nothing better than hearing stories of student excitement on the first day of school. Children who are out of bed and ready in school uniforms by 5am, children who have been wearing their uniforms around the house since Christmas...just to name two! We have also had some very excited teachers as well who have been up at school since New Years, organising their classrooms and planning for all their new classes for 2018.

Our staff had a fabulous week of Professional Development during Student Free Days, enhancing their knowledge and understanding of student learning, strategic school planning, behaviour management and religious education. This culminated with a beautiful staff liturgy that gave us the opportunity to give thanks

for another year as a staff, and to also welcome many new staff members, who will be working with our students over the next year.

We look forward to seeing you all on Wednesday 31<sup>st</sup> January, at the 2018 Parent Information Evening, where we will have the opportunity to share with you all our school's learning goals for 2018, specifically the literacy focus that all classrooms will be having. You will also have the opportunity to meet your child's classroom teacher, and develop an understanding of specific learning and daily routine.

Attached to this week's newsletter email are important documents relating to Student Protection and the Parent Portal. All parents are required to read these documents to ensure they are able to volunteer in the school as well as access information on the Parent Portal.

We look forward to a fantastic year for all of our dynamic learners, and look forward to working with you all, in this welcoming school community.

Have a great week,

*Kate*

## From the APRE

It is with great pleasure that we welcome you to the new school year for 2018! It was wonderful to see the buzz of excitement and big smiles this week as children eagerly walked into their new classrooms and met their new Teachers and classmates for 2018. We especially welcome all our new staff, students and families who are joining us for the first time this year!

All Catholic schools are grounded in the teachings of Christ and service to the community. Catholic schools offer a curriculum, which enhances the spiritual, aesthetic, social, emotional, intellectual, physical, moral and cultural development of each student.

To be Catholic is to centre ourselves on the person of Jesus, to walk in his footsteps and to be people who make the world better through the living of the values Jesus embodied.

The Religious dimension of a Catholic school is multi-faceted and this year will see many events and opportunities for you and your family to join with us in marking the rich Catholic identity that makes St Oliver Plunkett the dynamic school that it is.

### Whole School Assemblies

Yesterday we gathered together as a whole school community for assembly in the school quadrangle. Every Wednesday afternoon we look forward to gathering together for prayer. At these assemblies we also look forward to celebrating the achievements of children across all year levels and acknowledging the special birthdays for each week. Parents/Carers, grandparents and friends are always very welcome at our assemblies. Please see the below timetable of classes leading prayer at assembly this term. Please also be aware that some assembly start times are 2.00pm.

On Monday 12<sup>th</sup> February our Year 6 student leaders this year will look forward to participating in a retreat day facilitated by David Jorna and his team 'Project Hatch'.

Once again, I am very proud to join a highly devoted and talented group of educators and support staff and I

look forward to working closely with the teachers, students, and parents of the St Oliver Plunkett community throughout the year.

Every blessing for the new year.

## From the PLL

Dear Parents/Carers,

Firstly, may I extend a very warm welcome to all our families who are returning to our wonderful school community this year. For the new families that have joined us at St Ollie's, we pride ourselves on being a place of welcome and hope that you have experienced this whole-heartedly during your first few days. It has been lovely to see so many smiling faces and hearing about the many holiday adventures/misadventures! Over the Christmas break, I was very fortunate to spend five weeks exploring Canada and the east coast of the United States of America. We had an absolute blast and there were certainly some highlights- Dog sledding in Lake Louise, celebrating Christmas and New Years in New York City and catching up with family and friends along the way!

After a well-deserved, relaxing break our dedicated teaching and support staff are ready to go and excited about the opportunities we will provide to the students in our care this year. We will continue our great work in reading, that we engaged in during 2017, and begin broadening our focus to the reading/writing connection, especially in Years 3-6.

Lastly, it is my hope that many books were read by parents and children alike over the holidays. On my many bus trips, I was also able to read 'Wonder' by R. J. Palacio and 'Amazing Face' by Zoe Foster Blake. I am hoping the 'Barefoot Investor' by Scott Pape will arrive shortly on my doorstep!

*"There is no such thing as a child who hates to read; there are only children who have not found the right book." (Frank Serafini)*

Which book will you read tonight?

*Angie*

go to flexischools.com.au and follow the directions. Registration is easy! For parents who already have an account please remember to change your child's/children's year level and class!

If there are any parents who would like to help at tuckshop, please leave your contact details at the office.

**MUFFIN OF THE WEEK** Triple chocolate

**SAUSAGE SIZZLE** begins Tuesday 30 January for second break. Sausage, bread and sauce is \$2.00. Payment can be sent to the class teacher.

## Sports News

I would like to introduce myself to the St Ollie's community, my name is Miss Lisa Dighton and I am delighted to be the new Physical Education Teacher. I look forward to providing many opportunities for the students to grow in both skill and confidence. I am passionate about health and active living and strive to promote this through participation in a wide range of sports and physical activities. In my spare time I love to run, surf, play netball and snowboard.

Should you have any questions regarding sport or physical education, please don't hesitate to contact me.

## Class Coordinator

**Are you wondering how can I help out as a parent this year?**

**Well please consider being a Class Coordinator**

Class Coordinators:

- Provide a point of liaison between parents in a class, and a link with the P&F.
- Help build parent support for school activities.

- Foster a sense of belonging for parents and children through social gatherings.

If you are interested please contact your class teacher or Melissa White [mnolan@bne.catholic.edu.au](mailto:mnolan@bne.catholic.edu.au)

### Let's Talk Kids Speech and Drama, Prep – Year 6

After such an exciting year with our show Patchwork we are now consolidating on all of our Speech and Drama skills in 2018 and are now working towards group performances for Exams and Eisteddfods.

If your child loves performing and would love to have their skills cultivated please make sure you enrol. If your child lacks confidence and needs to develop their performing art skills this is also a great course to develop self-esteem and confidence. A mixture of students of various abilities attend these classes. Qualified experienced performing art teachers take the classes every Tuesday afternoon in the Parish Centre. Please go online to enrol and look further at the curriculum. [www.ltkspeechanddrama.com.au](http://www.ltkspeechanddrama.com.au) or call the office of LTK 38215755. **MILO in2CRICKET** is for girls and boys aged 5 to 7 years old. This is the perfect introduction to cricket where kids learn all the cricket basics by participating in game based skills and drills in small groups with their friends. If your child hasn't played cricket before, then this is a great introduction to the game!

**MILO T20 Blast** is for girls and boys aged 7 to 12 years old. It's a fast, fun and exciting program, with music, lots of big hits, classic catches and everyone gets an equal go! Participants get to wear the colours of our local KFC T20 Big Bash League team Brisbane Heat and there is an action packed, fun atmosphere where everyone is involved. Instead of sitting waiting to bat, there's a Skills Zone with fun games and activities to help them improve their cricket skills.

**At this age we find the kids have more fun if their parents are involved - so come and play along . . .**

**When:** Friday nights from Friday 2nd February to Friday 16th March 2018  
in2CRICKET (for 5 – 7 year olds) will run from 5.30pm to 6.30pm
