## From the Principal

Hi everyone, a warm welcome to the Week 7 newsletter.

For the last few years at St Ollie's, Week 7 of each term has been a special week with a focus on our collective **'well-being'**. This term, Well-Being Week started with our School Sponsored mass on Sunday (what an occasion and my congratulations to everyone on their attendance, participation and organisation) and followed by a staff social event at one of the local parks. A clear benefit of interacting socially and in prayer with our friends and family is to put us in a positive frame of mind and Sunday's events certainly achieved that!

During this week, staff and students have focussed on their well-being as well. Mindfulness activities, no staff meeting, no homework for the kids (with a big yay from parents!) and a shared staff lunch on Wednesday are all examples of activities centred around our well-being. The highlight of the week (for some!) will be our free dress day on Thursday which is focussed on wearing something that makes you happy. At the moment, the Queensland Reds are making me happy by winning one game in a row, so I think I might don some Reds gear!

It gives me great pleasure to share some wonderfully positive news with you all today. At last night's P & F meeting, with another great turnout of parents, around \$70,000 of funding was approved by the P & F to purchase a range of resources to support our students. Items include additional ICT resources, additional reading resources, play equipment for the early years and resources for the Learning Enhancement Activities Program (LEAP). All money donated by the P & F will be used directly to support students with their learning and is a great example of the direct benefits to students of supporting the P & F's fundraising initiatives. Please read carefully the P & F news found later in the newsletter – the next upcoming event is the P & F disco on Friday March 23rd.

After recent round of staff recruiting, it also gives me great pleasure to share two new staffing appointments. On Monday, **Louise Gale** will join our staff in the role of Support Teacher: Inclusive Education. Louise is moving to Brisbane from Hervey Bay and has significant experience in the area of learning support. Our second appointment begins in Term 2, with **Chloe Adams** joining us in the role of Acting APRE for the remainder of the year. Chloe is currently on staff at St Martin's, Carina and spent 2017 as the Acting APRE there. We look forward to welcoming both ladies to Team Ollies!

As the seasons change, and we continue our Lenten journey, can I encourage us all to continue to support each other, to be selfless in our interactions and to remind ourselves of our Lenten promise that we made on Ash Wednesday – for many it was to be kind to one another (for some it was to give up chocolate or to stop hitting/annoying our brother/sister/parents!). Whatever it was, I hope you're staying true to your promise, for the rewards will be there when the good Lord rises on Easter Sunday!

All the best for the fortnight to come :-)

Cheers, Paul

## From the APRE

### **SCHOOL SPONSORED PARISH / FAMILY MASS**

Last Sunday 4<sup>th</sup> March we celebrated our first school sponsored mass for the 2018 school year, in St Oliver Plunkett Church at 9.30am. As the first school sponsored mass at St Ollie's for this year, I was overwhelmed by the wonderful response by our families and children who were involved in this special celebration!

Many parishioners approached me after the mass to convey their personal thanks to all the staff, children and their families who came in such good numbers and shared so very well in the mass. The parishioners also commented on the excellent behaviour displayed by all children during this mass.

I would like to take this opportunity to thank Marianna Moes for playing the piano and singing so beautifully throughout the mass. Marianna very generously gave up her lunch times last week to help prepare the children to sing. Thank you also to Helen Exley for her help in preparing the children to read at this mass. It was rewarding to see such enthusiasm from all involved!

### **HAVE YOU SEEN OUR PROJECT COMPASSION WALL?**

Every week during Lent the children in Year 6 will visit classrooms to collect money raised by the children in each classroom. For every \$5 raised, the children will receive a small cut out shape representing a book which they can add to the larger book on the brick wall.

The theme for Project Compassion 2018 is "A Just Future". The Year 6 students agreed that to promote a 'just future' there needs to be education.

Throughout Project Compassion 2018, inspiring stories from Nepal, Cambodia, Jordan, Australia, Mozambique and the Philippines will be shared, highlighting the importance of working hand in hand with communities around the world.

Donations to Project Compassion allow Caritas Australia, the Catholic Agency for International Aid and Development, to work towards this creation of a more just and fair world for whole communities.

The aim is for children to see how 'collectively' as a school community we can work together to raise money and make a difference for those less fortunate than ourselves.

Each family has also received a Project Compassion box for your donations.

### **THIS WEEK WE MEET RATTANAK**

Rattanak is a skilled young barber, living an independent life in rural Cambodia. But it wasn't always that way. As a child he contracted polio and also became deaf. Like many people who are deaf or hard of hearing, Rattanak faced isolation at home, with a lack of opportunity to escape poverty.

Rattanak's sister discovered the Deaf Development Program (DDP), run by Caritas Australia partner, Maryknoll Cambodia. It provides sign language, job training and interpreting services to people aged sixteen and over who are deaf or hard of hearing and aims to raise awareness about deafness in the hearing community.

So far, it's helped over 430 deaf or hard of hearing people with their education and more than 200 people to find jobs. It has also trained more than 300 people without deafness as sign language interpreters. Rattanak graduated from its education program in 2010, returning the following year to train as a barber. The DDP then helped him to set up his shop in his parent's house in the village.

Having emerged from his isolated world at home, Rattanak is now running a successful business, supporting himself and his wife...and now a baby.

### **THIS WEEK WE ALSO MEET BAYAN**

Bayan is a 12-year-old Syrian girl, living with her family in Jordan, a keen student, who has her sights set on a career as an ophthalmologist. She struggled to overcome the trauma of growing up in a conflict zone, facing the prospect of missing out on schooling. Now, Bayan is an academic high-achiever, flourishing in a stable school environment.

Bayan grew up in Syria's capital, Damascus. The Syrian conflict turned their lives upside down and they were forced to flee. As their time in Jordan extended, Caritas Australia and our partners, Caritas Jordan and Catholic Relief Services stepped in to provide vital academic and psychosocial support. Bayan started attending one of Jordan's Caritas Schools which operates on Saturdays, providing tuition to disadvantaged students.

"The school brings them back to a normal life, as they start to dream again," says Abeer, Caritas Education and Protection Co-ordinator.

Caritas provides a broad range of other education services, including preparing pre-school children for school, supporting students who have missed out on schooling to return to the education system, as well as counselling and nutritious meals and snacks at school.

Please put your compassion into action this Lent by supporting the **Project Compassion 2018 appeal**.

We thank you in advance for your support for this extraordinary, ongoing demonstration of faith, love and generosity.

### **Whole School Assemblies**

Every Wednesday afternoon we look forward to gathering together for prayer. At these assemblies we also look forward to celebrating the achievements of children across all year levels and acknowledging the special birthdays for each week. Parents/Carers, grandparents and friends are always very welcome at our

assemblies. Please see the below timetable of classes leading prayer at assembly this term. Please also be aware that some assembly start times are 2.00pm.

### **HOLY WEEK REFLECTIONS**

In our final weeks of school for Term One we will have a small reflection each day in recognition of the special events of Holy week. These reflections will take place in the quadrangle. Each year level will present a short reflection in recognition of the last days of Jesus throughout Holy week. Please see the timetable below, which outlines the days, and times including the Year Level/s highlighting the event for each day. It would be wonderful if you could join with us in walking with Jesus during Holy Week.

## **From the APA**

Welcome to Wellbeing Week! It has been lovely today to see all of our students in their Happy Clothes! Wellbeing Week is such an important week at St Ollie's, as it's a time to take a step back from the busyness of our term, and take care of ourselves, our friends and our families. Our students have been participating in Wellbeing Week activities throughout the week, and today - our "Happy Day" is definitely the highlight of the

week. We hope that all families are taking the time this week to slow down, and take the time to rest up and re-energise as we move towards the end of Term One.

### SeeSaw

We are so very excited to be hearing so many positive comments about Seesaw in Prep – Year Three. Our teachers are loving being able to share with families the beautiful work our students are participating in, and completing during the day. We also love hearing that children are able to share their learning with their families every day after school. The afterschool question of, “What did you do today?”, can never be answer with, “nothing”, ever again!

### Gymnastics

From the start of Term Two, our Prep – Year Two students will be participating in weekly gymnastics lessons run by *Multisports*. These lessons are aimed to support our students’ strength, balance and gross motor skills, and aligns beautifully with the Australian Curriculum. Our teachers are very excited about these lessons, and we look forward to sharing our students participation and progress with our families, throughout Term 2.

### Parent Teacher Interviews – Term 1

As a school, we would like to thank our wonderful teachers for the time and effort they put into preparing for and providing Parent Teacher Interviews. We also want to thank the many families that took the time to meet with their child’s teacher, to discuss their child’s progress, and how they have settled into the new school year. As teachers, we value the time we get to spend with our students’ parents, and the relationships we build with families, as we all work towards the common goal of supporting your children.

In Term Two, our teachers will share with families a formal written report, focusing on student achievement, progress and participation effort. Parent Teacher Interviews will again be offered in Term 3, and provide parents with the opportunity to discuss their child’s report. If, at any time, parents feel the need to meet with their child’s teacher, this is always encouraged and welcomed.

Wishing you all a lovely end to the school week.

*Kate MacArthur*

## From the PLL

Dear families,

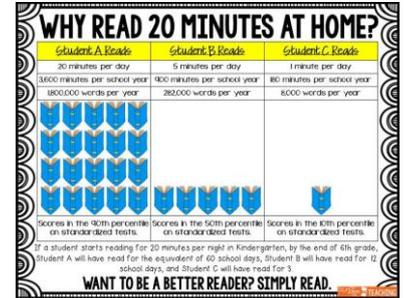

This year, our SMART goal for Excellent Teaching and Learning remains focussed on reading, with an emerging focus on writing in Years 3-6. Over the past two weeks, I have met with year level teachers to review the data of our students. Through this process, each year level has named an achievable, yet aspiration, goal for their students, and has collective responsibility, for not only the students in their class, but for the students in their cohort. It is through high-quality teaching and collaboration that our students will achieve success!

Earlier in the term, I highlighted the importance of building a strong partnership between the home and the school. The ‘Home Reading Program’ provides the perfect opportunity to continue fostering this relationship and to work with us to support your child to reach their full potential. We cannot stress the importance of reading aloud enough and strongly recommend that you read aloud to your child (even if they are in Year 6!) on a regular basis, in addition to the readers/books they are bringing home from school and reading independently.

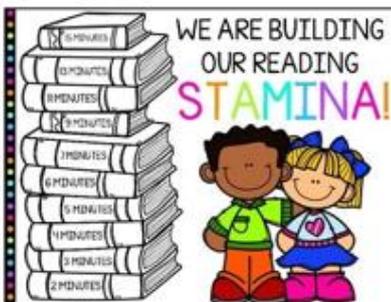

**BENEFITS OF READ-ALOUD**

- ✓ **Fosters** a love of reading
    - Children enjoy stories without the frustration of reading
  - ✓ **Builds** listening and comprehension skills
  - ✓ **Makes** complex ideas accessible
  - ✓ **Models** fluent reading
  - ✓ **Expands** vocabulary
  - ✓ **Builds** grammar
  - ✓ **Teaches** pronunciation of new words
    - Except when we don't know how to pronounce them either! ('Amorphophallus paeoniifolius', anyone?)
  - ✓ **Introduces** authors, texts, and genres they might not choose themselves
  - ✓ **Develops** imagination and creativity
  - ✓ **Promotes** discussion and critical thinking
  - ✓ **Starts** meaningful conversations
  - ✓ **Strengthens** emotional bonds
- (an excerpt from <http://readingisbetterthanchocolate.com/never-stop-reading-aloud/>)

Finally, I would love to share some photos of our students in Year 1D practising their reading stamina skills. Reading stamina is a child's ability to read independently for a sustained period of time, without distraction to/from others. It just goes to show that even some of our youngest students understand how important it is to read, read and read if you want to become a better reader!

Which book will you read tonight?

I sit at my desk.

I lock my eyes in.

I talk about my book.

Angie

## OWL Awards

Congratulations to the following children who have received an OWL award at assembly this fortnight. This award is presented to the most deserving student across each year level who has demonstrated 'Outstanding Ways of Living' based on our School Expectations: 'Be Respectful, Be Responsible, Be Safe'. This fortnight we have been focusing on the School Expectation 'BE RESPECTFUL'. As part of this special award the following children were presented with a gold badge.

**Congratulations Kaden, Aydenn, Freja, Noah, Natalia, Katie, Aiden!**

On behalf of the whole school community we congratulate your child on this wonderful achievement!

**SCHOOL DISCO:** Get set for our first disco of the year, Friday 23 March 6-9pm. School-age children \$5 entry, which includes a drink. Pizza, drinks, chips and bar facilities available.

**We need parents to assist with set-up and sales on the night.** Our discos attract more than 400 people and volunteers are absolutely vital to help the night run smoothly. **If you can assist with set-up from 5.30pm, or with door/drink/pizza sales for 30 mins from 6pm, please email [stolliespandf@gmail.com](mailto:stolliespandf@gmail.com) by Tuesday 20 March.** All parents will be responsible for clearing their tables and assisting with general clean-up.

**P&F FUNDING:** It was another great turn-out at our P&F meeting this week, with attendees agreeing to provide \$70,000 funds to the school to purchase much-needed IT equipment (including interactive whiteboards and iPads), as well as library, classroom and indoor activity equipment. Discussions are well under way for the Gala Dinner, and we hope to announce the date and venue early next term. And after 12 months of work, an updated and revised St Oliver Plunkett Parents and Friends Constitution was approved for implementation by attendees.

**BUSINESS DIRECTORY** - If you own/manage/work in a local business and would like to be part of a St Ollie's Business Directory, we'd love to hear from you! ### SUNDAY LITURGY FOR CHILDREN

The normal Children's Liturgy held during Sunday 9.30am mass is currently on hold until Term 2.

Part of the reason for this is the need for new members to join the Children's Liturgy team so we are asking everybody to consider if you can contribute to this very important ministry.

There isn't a big time commitment involved and it is suitable for men and women of all ages.

The only pre-requisite is being passionate about sharing the Word of God with children.

You will team up with an experienced couple to start with until you feel confident enough to work with just a partner.

Please spend the next week or so discerning if you could share your love of the Gospel with the next generation of church goers.

For more information, please contact Ronda on 0413 270 393.
