From the Principal

Hi everyone, a warm welcome to the Week 3 newsletter :-)

So much as already happened in the first few weeks of term with excursions, liturgies and activities all taking place. My thanks to all the staff and parents/carers who have allowed these wonderful opportunities for our kids – whether that be an ANZAC Day march, a Nano Nagle liturgy, an excursion to Lone Pine Sanctuary (well done Preppies!) or even the offering of before school cross country training with a fresh fruit brekky - it is the richness of these diverse opportunities that truly allow our community to flourish – my thanks to you all.

It was my pleasure to attend last night's P & F meeting where a number of issues were talked through, including the school masterplan, fundraising opportunities, school events and the possibilities around increasing the numbers of Oshcare spaces. My thanks to those parents who were able to attend, it is always a pleasure to see such healthy numbers attending these events. It was also a pleasure to share with the group a number of photos which displayed our students enjoying activities with resources (such as dress ups, readers and outside play equipment) purchased through P & F raised funds. Hopefully they're attached to the newsletter somewhere for you to have a look at as well :-)

Fr Eric and I were also able to update parents about where we are at with our building program. As shared in previous newsletters, we are about to begin a significant building program where the school and parish site will be transformed over the coming years. While we have completed relatively minor works over the past few years (which includes the refurbishment of up to ten classrooms, the demolition of the old toilet block and creation of new outside learning space and exit/entry at Camelia street and the construction of a new classroom), Term 3 will see the beginning of the construction of four additional early years classrooms, which will be build off the library and over the existing bottom oval. These will be ready for use at the start of the 2019 school year. I will keep you as informed as I can with regards to progress, but I can share that this project should go to tender in the coming weeks.

A reminder that there are parking restrictions around the school around the peak hours of drop off and pick up. Please follow all road signs at these peak times to avoid disrupting traffic. We've had issues this week with parents/carers parking their car in the Beauvardia St drop off zone and walking their kids into school.

Can I remind everyone that these are for drop off only, you are not permitted to exit your vehicle and walk the kids in. Council are doing a blitz on schools at present, so please be considerate and follow all the road rules around the school area.

Another short week next week with the Labour Day public holiday occurring on Monday 7th May. Don't forget our Mother's Day stall on Tuesday, Cross Country Carnival on Thursday and Mother's Day liturgy on Friday. This is in addition to all the 2019 Preppy interviews happening at the moment as well. Always plenty happening at St Ollies :-)

Thanks for everything you do to make our community great and all the best for the fortnight to come :-)

Cheers, Paul

It has been another fantastic two weeks at Ollie's with so many things happening, and many busy children.

NAPLAN

It has been fantastic to see how teachers are focusing on the students' wellbeing and overall feelings of comfort during the tests. Year 3 and Year 5 parents, you will be receiving an email this afternoon providing further information around the testing for your children.

P & F ...Thank you from the children!

This term has been like Christmas Day for the teachers and students at Ollie's. Our fantastic P & F have funded the purchase of resources for the children to be using to support both learning and play. Our Prep – Year 6 students have had a fantastic start to term two utilising new reading resources for all reading levels, and interests. The P & F have provided financial support for the school to purchase Home Readers and Classroom Readers, as well as Literacy resources that supplement all language learning activities in the classroom.

Our littlest Prep students have been in heaven playing with the new outdoor play equipment that the P & F also financially supported. Our children have been enjoying dress –ups, construction equipment, gross motor resources and role-play resources.

P & F, we are so incredibly grateful for your contributions....thank you!

Book Covering Help Needed

To help get the hundreds of new texts into full circulation throughout the school, we are holding a Book Covering Morning in the Parish Centre on Wednesday 9th May (next week) from 8.45am – 11am. If you are able to help, even for a short period of time, we would appreciate any support you can give. Toddlers welcome! We will even provide coffee and morning tea for you all. If you could let the office know if you are able to help, please RSVP via email pcannonhill@bne.catholic.edu.au.

Speech and Language Parent Information Evening

A final reminder that the school will be running a Speech and Language Information Evening on Tuesday 8th May (next week) at 6pm – 7pm. We have had a great number of parents interested, and we can promise you, it will be an incredibly informative evening.

We will be running the session in the school library, and Janette Lewis, our School Based Speech Pathologist will be sharing information around communication and language – development, and student learning.

Mother's Day Celebrations

The Ollie's Community will celebrate the amazing Mums, Grandmas, Aunts and all mother-figures in our lives on Friday the 11th of May.

We are asking for RSVPs to this morning, so that we have a fair idea for catering purposes and also so that I am able to organize children for different roles during the liturgy. So, as well as the RSVP, if your child is willing to take on a special role (readings, prayers, carrying of symbols etc.) during the Mother's Day liturgy, please email me directly ctadams@bne.catholic.edu.au.

Likewise, Melissa White is also collecting photos for a special presentation on the morning. Please email photos directly to Melissa at mnolan@bne.catholic.edu.au.

We look forward to seeing you all there!

Cannon Hill Parish- Sausage Sizzle

From the PLL

Dear Parents/Carers,

At the beginning of the year, we developed aspirational SMART goals around reading in Prep to Year 2 and around writing in Years 3 to 6- an emerging area of focus. It was with great pleasure that we shared with staff our current overall percentages of students meeting or exceeding Brisbane Catholic Education targets in these areas. When compared to the end of Term 1, 2017, we have made noticeable improvement across all year levels. This is a clear indicator of the commitment of our staff in providing high-quality teaching and learning experiences.

As part of a strategy to achieve our SMART goals, we are beginning to implement short, targeted cycles of contextual learning and teaching. Essentially, we analyse the most current data of our students, target relevant aspects of the English curriculum to address identified student needs and plan engaging teaching and learning experiences in context. Therefore, through the use of rich literature, we are able to support and develop students' knowledge, understanding and skills to comprehend and compose for a range of purposes. It has been wonderful to see the level of student engagement with such texts and I hope you are hearing about them at home. I believe "The Wonky Donkey" by Craig Smith was a real hit in Year 1!

Which book will you read tonight?

Angie

What a relief to come across a program that preserves the dignity of the child, maintains the self control of both the parent and the child and is actually easy to remember when memory is the first thing to go!

I realized quickly that the 1-2-3 Magic can be a magnificent preventative measure that any parent can use to avoid raising a child, who later down the line, needs excessive discipline or grows out of control

Lourdes Hill College Parents & Friends warmly invites you to our Proactive Parenting Session

THE IMPACT OF ADVERTISING AND MEDIA ON YOUNG PEOPLE:

How to help your daughter grow up in an advertising world.

Tracey will be outlining the importance of authenticity, truth and humour. How do we teach our children to strip away the artifice in their lives? Be true to themselves? Embrace their unique abilities? She will talk about how, historically, women and girls have been valued for their appearance, while men and boys have been lauded for their skill, intellect and power. At this point in history, we are deconstructing the language we use around girls to ensure the next generation doesn't face being judged upon looks alone.

Tracey will explain how to consume mass media with your children, so they understand the pervasive messages around them. Her presentation will do this using a liberal dose of humour, as she finds this is the best way to get serious messages across!

Date:	Monday 21 May 2018
Venue:	Polding Theatre, Lourdes Hill College
Time:	6:00 - 7:00pm. Drinks and nibbles (provided) 7:00 - 8:30pm Tracey Spicer presentation
