Dear Parent/Carer,

Thank you for enquiring about enrolments at St Oliver Plunkett Catholic School.

At St Oliver Plunkett Catholic School we provide a contemporary, faith-based education for all students, where in partnership with all families we learn about our world, ourselves and our Creator God. As a learning community we strive to ensure that we provide an environment where your child can grow into a contributing and effective member of our ever-changing world.

Enrolment applications are required by the end of March in the year PRIOR to your child’s commencement. As our enrolments are not based on a “first come, first place” basis, there is no urgency to apply for places in later years, but we are happy to accept an enrolment application at any time. Please read the instructions on the Enrolment Form and refer to the Notes Booklet for clarification of any of the questions.

Interviews for all year levels will be conducted in Term 2 and we will be writing to all our prospective families to arrange an interview time with one of the senior administrators of the school. Offers of placement are sent to families as soon as all interviews are completed.

Our offer of places in the school is based on this interview and on our Enrolment Policy that guides our filling vacancies according to:

- Siblings
- Catholic Families in our Parish
- Catholic Families Outside Our Parish
- Other faith backgrounds

There is a non-refundable Enrolment Application Fee of $44.00 payable at the time of lodgement.

We look forward to meeting and getting to know you and your child.

If you have any questions at all please phone the school office on 3902 2100.

Yours faithfully

Richard Grajczonek

Principal
